

edCenters for Educators

Bookemon lets Educators create a secure, private and friendly environment for their students and staff to create and share books. An edCenter can be created for your class, special project group, students of a grade level at your school or school related non-profit organization.

Free Gifts to Educators*

To celebrate the founding of our first 1000 edCenters, we are offering free gifts to all founders of edCenters.

Start your edCenter today to benefit.

The benefits of edCenters

Group Privacy

At your discretion, books and information can be accessed by edCenter members only.

Membership Control

The Founder/administrators control who can join the edCenter using management tools.

Student Account, No Email Required

Teacher can add student accounts without requiring students' own email. Gain added privacy and ease of oversight on students' works.

Collaboration

Members within the group can create books collaboratively.

Mobile Access

Using bookPress r Bookemon Mobile apps you can access your edCenter via iPhone, iPad or Android devices.

Free for Educators, No ADS

There is no cost to create your own edCenters and there is no obligation to purchase books.

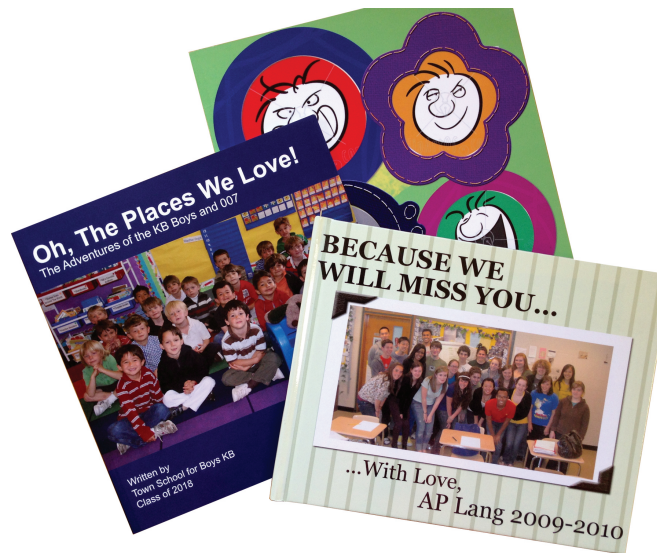

Discount

All members will receive a 5% discount off of purchased books.

"... create an edCenter to minimize advertising and create books in your own teacher-friendly class environment. ..."

"... an excellent teaching opportunity for 21st century literacy skills and online safety discussion."
